

FINANCIAL CONDITIONS AND FEES: 2019-2020

As a non-profit organization VIS relies on tuition and other fees paid by parents for funding.

The administration fee of €200 is **non-refundable** and covers the costs of the school in considering and processing applications as well as administering the school's waiting lists for places. A **non-refundable** registration fee is payable upon acceptance of an offer of admission to the school and serves to guarantee a place for the coming year. Fees are set in euros and the school only accepts payments in Euros, and it takes no responsibility for bank charges. School tuition fees are invoiced twice a year. Each invoice covers a period of five school months, the first being September to January and the second February to June. These fees must be paid prior to the commencement of each invoice period. Fees may be paid annually in advance if preferred. Tuition fees are due prior to the teaching period to which they relate and the school reserves the right to charge interest on arrears and consider limiting the access of pupils in respect of which fees remain unpaid.¹

To guarantee a place for subsequent years after, a deposit (deducted from fees) of €1,500 per student is payable by mid-March of each year. The specific date appears on the published school calendar. Kindly note that students will not be re-enrolled for next scholastic year unless all the fees of the present scholastic year are fully paid up.

Tuition fees will not be refunded for any reason for students who leave the school prior to the end of a semester. A semester's notice must be given in writing to the Head of School if the parents or guardians wish to cancel a place which they have accepted or withdraw the pupil after entry. Parents or guardians will be invoiced for the subsequent semester if one semester's notice is not provided.

Residency Program fees are due and payable for the full scholastic year prior to the arrival of the student at the school. Residency Program fees are non-refundable for withdrawal of students during any part of the scholastic year.

Residency Program fees do not cover costs relating to any student remaining in Malta during the winter and spring breaks. Students are expected to return home during these periods with no school, at the cost of their parents or guardians.

A discount on fees is given to families with more than one student attending the school. A discount of €260 is given for two students, €800 for three students, and €1060 for four students.

¹ Interest at the maximum rate allowed by law will be charged for students having overdue accounts. Parents with overdue fees will be informed at least one week before the end of the first month of each semester. In the event that fees remain unpaid one month after school starts, the student in question will be suspended pending resolution of the matter. School records and report cards will not be issued for students having overdue accounts (Board policy re-endorsed March 29th, 2001).

Verdala
INTERNATIONAL SCHOOL

This fee schedule is for the 2019-2020 school year only
